With you for the long term

Being a mutual means we're consistent and here for the long term. Our experienced teams are resourceful, responsive, and empowered to make decisions quickly. You'll benefit from our technical underwriting capabilities, the strength of our relationships with our broker partners, and our unique approach to claims service.

Because what's good for you, is good for us.

Continuity in a changing world

Some clients have been with us for over 20 years. Why do our clients stay with us so long? Because we have a culture of flexibility and transparency. Quite simply: we do the right thing.

Your business doesn't stand still and neither do we. We are constantly evolving our products and services: investing in people and resources, and building our global distribution network – bringing you continuity and reassurance in a changing world.

Claims confidence

Aligned with the Liberty Claims Charter, our Directors & Officers team has years of experience, both in and out of industry. Globally we've seen these claims from all angles – risk management, broking, private practice, and in-house insurance management. Across our worldwide office network, there's not much we haven't seen before.

As a recognised lead market, we're always guided by the client's best interests. Strong technical expertise enables us to keep control of the claim, with appropriate specialist support where necessary. With high authority levels and ultimate authority in London, we are always focused on handling your claim as quickly as possible.

Claims+

In addition to our claims charter and promise, where appropriate, we offer extra value-add services at pre-placement, post-placement, and post-loss stages. Designed to ensure your claims experience – even without a claim – is as good as we can make it.

Unlocking opportunities

With over a century of insurance experience, we've learned a thing or two about risk. We're dedicated to developing products and solutions for our clients, whether it's a variety of specialist coverages, a customised wording, or guidance on emerging exposures.
